

100 New Recipes and Projects for Oddly Satisfying Borax Free Slime DIY Cloud

If you're looking for a fun and easy way to make your own slime, then this is the book for you! With 100 new recipes and projects, there's something for everyone in this book. Whether you're a beginner or a seasoned slime maker, you'll find plenty of ideas to keep you entertained for hours on end.

What is slime?

Slime is a type of gooey, stretchy substance that can be made from a variety of ingredients. It's often used as a toy or stress reliever, and it can be a lot of fun to make and play with. Slime is made by mixing together a liquid with a polymer. The polymer is what gives slime its stretchy, gooey texture.

What are the benefits of making your own slime?

There are many benefits to making your own slime, including:

- It's a fun and easy activity that can be enjoyed by people of all ages.
- It's a great way to relieve stress and anxiety.
- It can help to improve your fine motor skills.
- It's a great way to be creative and express yourself.

What are the different types of slime?

There are many different types of slime, including:

- **Clear slime:** This type of slime is made with clear glue and water. It's often used as a base for other types of slime.
- **Colored slime:** This type of slime is made with clear glue, water, and food coloring. It can be any color you want.
- **Glitter slime:** This type of slime is made with clear glue, water, and glitter. It's a great way to add some sparkle to your slime.
- **Scented slime:** This type of slime is made with clear glue, water, and essential oils. It can be any scent you want.
- **Magnetic slime:** This type of slime is made with clear glue, water, and iron oxide powder. It's magnetic, so you can play with it on a magnetic surface.

How to make slime

Making slime is easy! Here's a basic recipe for clear slime:

1. In a bowl, combine 1 cup of clear glue and 1/2 cup of water.
2. Stir until the glue and water are well combined.
3. Add 1 teaspoon of borax powder and stir until the slime begins to thicken.
4. Knead the slime with your hands until it's smooth and elastic.

Slime recipes

Here are a few of the recipes from this book:

Unicorn slime

* Ingredients: * 1 cup of clear glue * 1/2 cup of water * 1 teaspoon of borax powder * 1/2 teaspoon of glitter * 1/4 teaspoon of pink food coloring *

Instructions: 1. In a bowl, combine the glue, water, and borax powder. Stir until the slime begins to thicken. 2. Add the glitter and food coloring and stir until the slime is well combined. 3. Knead the slime with your hands until it's smooth and elastic.

Galaxy slime

* Ingredients: * 1 cup of clear glue * 1/2 cup of water * 1 teaspoon of borax powder * 1/4 teaspoon of blue food coloring * 1/4 teaspoon of purple food coloring * 1/4 teaspoon of black food coloring *

Instructions: 1. In a bowl, combine the glue, water, and borax powder. Stir until the slime begins to thicken. 2. Divide the slime into three equal parts. 3. Add the blue food coloring to one part of the slime, the purple food coloring to another part of the slime, and the black food coloring to the remaining part of the slime. 4.

Knead each part of the slime until it's smooth and elastic. 5. Combine the three parts of the slime and knead until they're well combined.

Mermaid slime

* Ingredients: * 1 cup of clear glue * 1/2 cup of water * 1 teaspoon of borax powder * 1/2 teaspoon of glitter * 1/4 teaspoon of green food coloring * 1/4 teaspoon of blue food coloring * Instructions: 1. In a bowl, combine the glue, water, and borax powder. Stir until the slime begins to thicken. 2. Add the glitter and food coloring and stir until the slime is well combined. 3. Knead the slime with your hands until it's smooth and elastic.
