Conference Overview

The 13th IFIP WG 13 International Conference on Open Source Systems (OSS 2024) will be held in Buenos Aires, Argentina, from May 22-25, 2024. The conference will bring together researchers, practitioners, and industry leaders to discuss the latest advances in open source software development.

OSS 2024 will provide a forum for sharing research findings, best practices, and experiences in all aspects of open source software development. The

conference will feature a variety of sessions, including:

- Technical paper presentations
- Panel discussions
- Workshops
- Tutorials

OSS 2024 will also feature a number of social events, providing attendees with opportunities to network and build relationships with other members of the open source community.

Conference Themes

OSS 2024 will focus on the following themes:

- Open source software innovation
- Open source software sustainability
- Open source software ecosystem
- Open source software quality
- Open source software governance

Call for Papers

OSS 2024 invites submissions of original research papers on all aspects of open source software development. Papers may be up to 10 pages in length. The deadline for paper submissions is **December 15, 2023**.

Important Dates

- Paper submission deadline: **December 15, 2023**
- Notification of acceptance: **February 15, 2024**
- Camera-ready papers due: **March 15, 2024**
- Conference dates: **May 22-25, 2024**

Venue

OSS 2024 will be held at the Hilton Buenos Aires, located in the heart of the city's business district. The hotel is within walking distance of many of Buenos Aires's most popular attractions, including the Teatro Colón, the Obelisco, and the Plaza de Mayo.

Registration

Registration for OSS 2024 will open in early 2024. Attendees can register online or by mail.

Contact Information

For more information about OSS 2024, please contact the conference organizers at oss2024@ifip.org.
