## Drawing

- **Draw a self-portrait in 10 minutes.** Use a mirror to look at your face and draw what you see. Don't worry about making it perfect, just try to capture the essence of your features.
- **Draw a landscape from your imagination.** Close your eyes and imagine a place you'd like to visit. Then, open your eyes and draw what you saw.

- **Draw a still life of objects from around your home.** Arrange the objects in a pleasing way and then draw them as realistically as you can.
- **Draw a cartoon character from your favorite TV show or movie.** Use simple shapes and lines to create a recognizable character.
- **Draw a pet or animal from a photo.** Try to capture the animal's personality and expression.
- **Draw a map of your neighborhood or city.** Include important landmarks and streets.
- **Draw a diagram of a machine or object.** Show how the different parts work together.
- **Draw a comic strip or storyboard.** Tell a story through a series of drawings.
- **Draw a freehand sketch of a person or place.** Don't worry about making it perfect, just try to capture the overall impression.
- **Draw a Zentangle pattern.** Zentangles are repetitive patterns that are created by drawing a series of lines, dots, and curves.

## Painting

- **Paint a landscape using watercolors.** Watercolors are a great way to create soft, ethereal paintings.
- **Paint a still life using acrylics.** Acrylics are a versatile paint that can be used to create a variety of effects.
- **Paint a portrait using oil paints.** Oil paints are known for their rich colors and smooth, buttery texture.

- **Paint a mural on a wall in your home.** Murals are a great way to add personality and style to your space.
- **Paint a piece of furniture.** Give an old piece of furniture a new lease on life with a fresh coat of paint.
- **Paint a canvas with your hands or fingers.** This is a great way to create a unique and expressive painting.
- **Paint a picture of a pet or animal.** Capture the animal's personality and expression in your painting.
- **Paint a landscape from a photo.** Use a photo as a reference to create a realistic painting.
- **Paint an abstract painting.** Let your imagination run wild and create a painting that is full of color and energy.
- **Paint a seascape.** Capture the beauty and power of the ocean in your painting.

## Printmaking

- **Create a linoleum block print.** Linoleum block prints are a great way to create simple, bold prints.
- **Create a woodcut print.** Woodcut prints are similar to linoleum block prints, but they are made using wood instead of linoleum.
- **Create a screen print.** Screen printing is a great way to create prints with multiple colors.
- **Create a monoprint.** Monoprints are unique prints that are created by painting or drawing on a plate and then pressing it onto paper.

- **Create a collagraph print.** Collagraph prints are created by gluing different materials onto a plate and then printing it.
- **Create a mixed media print.** Mixed media prints are created using a variety of techniques, such as painting, drawing, and printmaking.
- **Create a digital print.** Digital prints are created using a computer and printer.
- **Create a 3D print.** 3D prints are created using a 3D printer.
- **Create a print using recycled materials.** Repurpose old materials to create unique and sustainable prints.
- **Create a print that tells a story.** Use images and symbols to tell a story or convey a message.

## Paper

- **Make a paper collage.** Cut and paste pieces of paper to create a unique image.
- **Make a paper sculpture.** Use paper to create a three-dimensional sculpture.
- **Make a paper mache project.** Paper mache is a great way to create lightweight and durable sculptures.
- **Make a paper airplane.** Fold a piece of paper into an airplane and see how far it will fly.
- **Make a paper boat.** Fold a piece of paper into a boat and float it in water.

- **Make a paper fortune teller.** Fold a piece of paper into a fortune teller and tell your friends their fortunes.
- **Make a paper doll.** Cut out a paper doll and dress it up with different clothes.
- **Make a paper mask.** Cut out a paper mask and decorate it to look like your favorite animal or character.
- **Make a paper lantern.** Fold a piece of paper into a lantern and decorate it with images or designs.
- **Make a paper flower.** Fold a piece of paper into a flower and add a stem.

## Mixed Media

- **Create a mixed media painting.** Combine different media, such as paint, drawing, and collage, to create a unique painting.
- **Create a mixed media sculpture.** Combine different materials, such as paper, fabric, and found objects, to create a three-dimensional sculpture.
- **Create a mixed media collage.** Combine different materials, such as paper, fabric, and found objects, to create a two-dimensional collage.
- **Create a mixed media book.** Combine different materials, such as paper, fabric, and found objects, to create a unique book.
- **Create a mixed media installation.** Combine different materials, such as paper, fabric, and found objects, to create a large-scale installation.
- **Create a mixed media performance.** Combine different materials, such as paper, fabric, and found objects, to create a performance art

piece.

- **Create a mixed media video.** Combine different materials, such as paper, fabric, and found objects, to create a video.
- **Create a mixed media sound piece.** Combine different materials, such
