## **How Does the Program Work?**

The Teach Your Child to Read in 100 Days program is a step-by-step approach to teaching children how to read. The program is divided into 100 daily lessons, each of which focuses on a specific reading skill. The lessons are short and engaging, and they are designed to keep children motivated to learn.

The first 20 lessons focus on teaching children the basics of reading, such as letter recognition, sound-letter correspondence, and blending sounds to form words. The next 80 lessons focus on building children's reading fluency and comprehension skills. The lessons include a variety of activities, such as reading aloud, answering questions about the text, and retelling stories.
